

♥ Welcome to Kindergarten

Hi Kids! I hope you are having a fun-filled summer. I am about to go to the beach and enjoy seeing some of God's beautiful creations. I love the ocean, collecting seashells, building sand castles and playing in the water with my family. When I'm at the ocean I can't help, but think about how BIG God is and how thankful I am that He knows me and loves me. He knows you too and He certainly loves you too. I am thankful He has planned for you to be in my Kindergarten class this year. We learn a lot and we have a lot of fun. We will get to learn about our letters, the sounds they make and how to read. We will also learn the numbers, how to count and later we will learn how to add and subtract. There are many other things we will learn, including about God's Word, the Bible. I know we will have a wonderful year together. I am looking forward to meeting each one of you.
